

Todd Shaw Speaking Topics

Service Wins (youth & adult)

The days of the drive up service station are gone from our culture. Today, you pump your own gas, pay at the pump, walk in side and pour your own coffee and give your money to a cashier who looks annoyed by your very presence.

The service-less mindset has slipped into the church too. Rediscover the meaning of a servant's heart. We'll cover topics, like "Earning the Right to Share the Gospel" and "Yes, Service Matters". People still crave service and Christians still desire to serve others!

Out of the Box Seminar (youth & adult)

In the Out of the Box seminar, Todd Shaw calls for a shift in the way Christians look at what ministry is and how it can be applied to those who most need it. With practical, pertinent ways to move the focus of ministry from "in the church only" to "out of the church too," this event provides guidance and encouragement to make a real impact on others in exciting and relevant ways.

You'll walk away with a clear approach on how to reach those who are outside the church by taking the church to their world. Out of the Box helps bring into focus ways to build ministries using God-given gifts and characteristics unique to each person. This easy to follow guide can help anyone discover and create a personal plan because it builds a person for ministry, not retrofitting you to someone else's ministry plan.

Seminar Topics (each topic can be a solo topic too)

The Life and Times of the Box

Out of the Box and Loving it

The Mindset of a Dangerous Person

Determining the Real You

Feeling the Fear Factor

Discovering & living in Your Fun Factor

Living in your Fun Factor (youth & adult) (also great for church leadership)

Ministry should never be a dirty word or something that you regret signing up for latter. You'll rediscover that there is fun in serving God and others too.

We'll answer question about ministry life like: "What's in it for me?" and "I thought you wanted me to kill the giant?" This humorous talk sheds light on the ups and downs of ministry by using life changing principles from the life of David.

One Step to Far (great for youth & men's conf.)

Discover the strength of three teens (Shadrach, Meshach & Abednego) and the power of influential friends. Examine the jeopardy of playing in the danger zone and how one degree off with God can lead to destruction. This powerful message has illustrations that will leave them with a lasting impression!

Follow the Leader

This helps answer the big question: "Are leaders born or made?" We all have a circle of influence (big or small), and God calls us to be influential in our living. The real question is: "Are you a leader worth following?" Discover your hidden potential as a leader and the impact that you can have when you start living it out.

Seeing the BIG in the Small (Youth & Adult)

Life is very hectic! Adult to teens, our schedules are full of "things to do". The question comes into play: "How do I fit God and serving others into my busy life?" Explore your life by climbing the ladder of love, a very visual illustration that will help you discover the Big in the small-seeing your life through God's view.

In Hell, who are you? (Youth & Adult)

We see the power and potential of someone who lives out their faith (Acts 19:15) in Christ Jesus, so much so, that even the demons recognize the danger of a Christ focused life.

When we live a holy life, people will notice the difference. There is no power in the counterfeit Christian lifestyle, only the stench of hypocrisy and casual Christian living.

The question is: "What type of impact are you having on you community, your school or workplace and yes, even hell itself?"

Karate Demonstration

Todd is a 2nd degree black belt in Okinawan Shuri-ryu Karate and has performed this demonstration over the past 20 years seeing 1000's come to know Christ.

Using his experience in the Material Arts as a drawing tool, this is one event that captivates the young and old. You'll laugh, you'll cry, you'll swear he's on medication; this demonstration will reach your heart.
